2023 Corporate Presentation

Operated by  Sarp Intermodal

About Us

Logiva is a Lithuania and Türkiye based logistics company that provides end-to-end, seamless logistics solutions between Türkiye and the Baltic states, Scandinavia, and Eastern Europe. Our specialized road transportation services allow us to effectively connect with importer and exporter customers who aim to tap into the beating heart of commerce in every region.

We are [#BringingTheWorldCloser](#) in line with our principles of providing damage-free, secure, and on-time deliveries.

Operations Management

Our main routes consist of transportation between Türkiye and the Baltic States and Finland, as well as within the Baltic States and Scandinavia, and between Europe and Türkiye.

We conduct our operations from our centers in Istanbul, Vilnius, Bucharest, and Plovdiv, and with our experienced team who can speak Lithuanian, English, Romanian, Russian, Turkish, and Polish, we can provide solutions 24/7 for any kind of problem.

Our Services

- Full Truck Load (FTL) and Less-Than-Truckload
- (LTL) Minivan Express Transportation
- Warehousing and Value-Added Services
Authorized Economic Operator or AEO-Certified Warehouse
- Customs Clearing Consulting
- Collection and Distribution

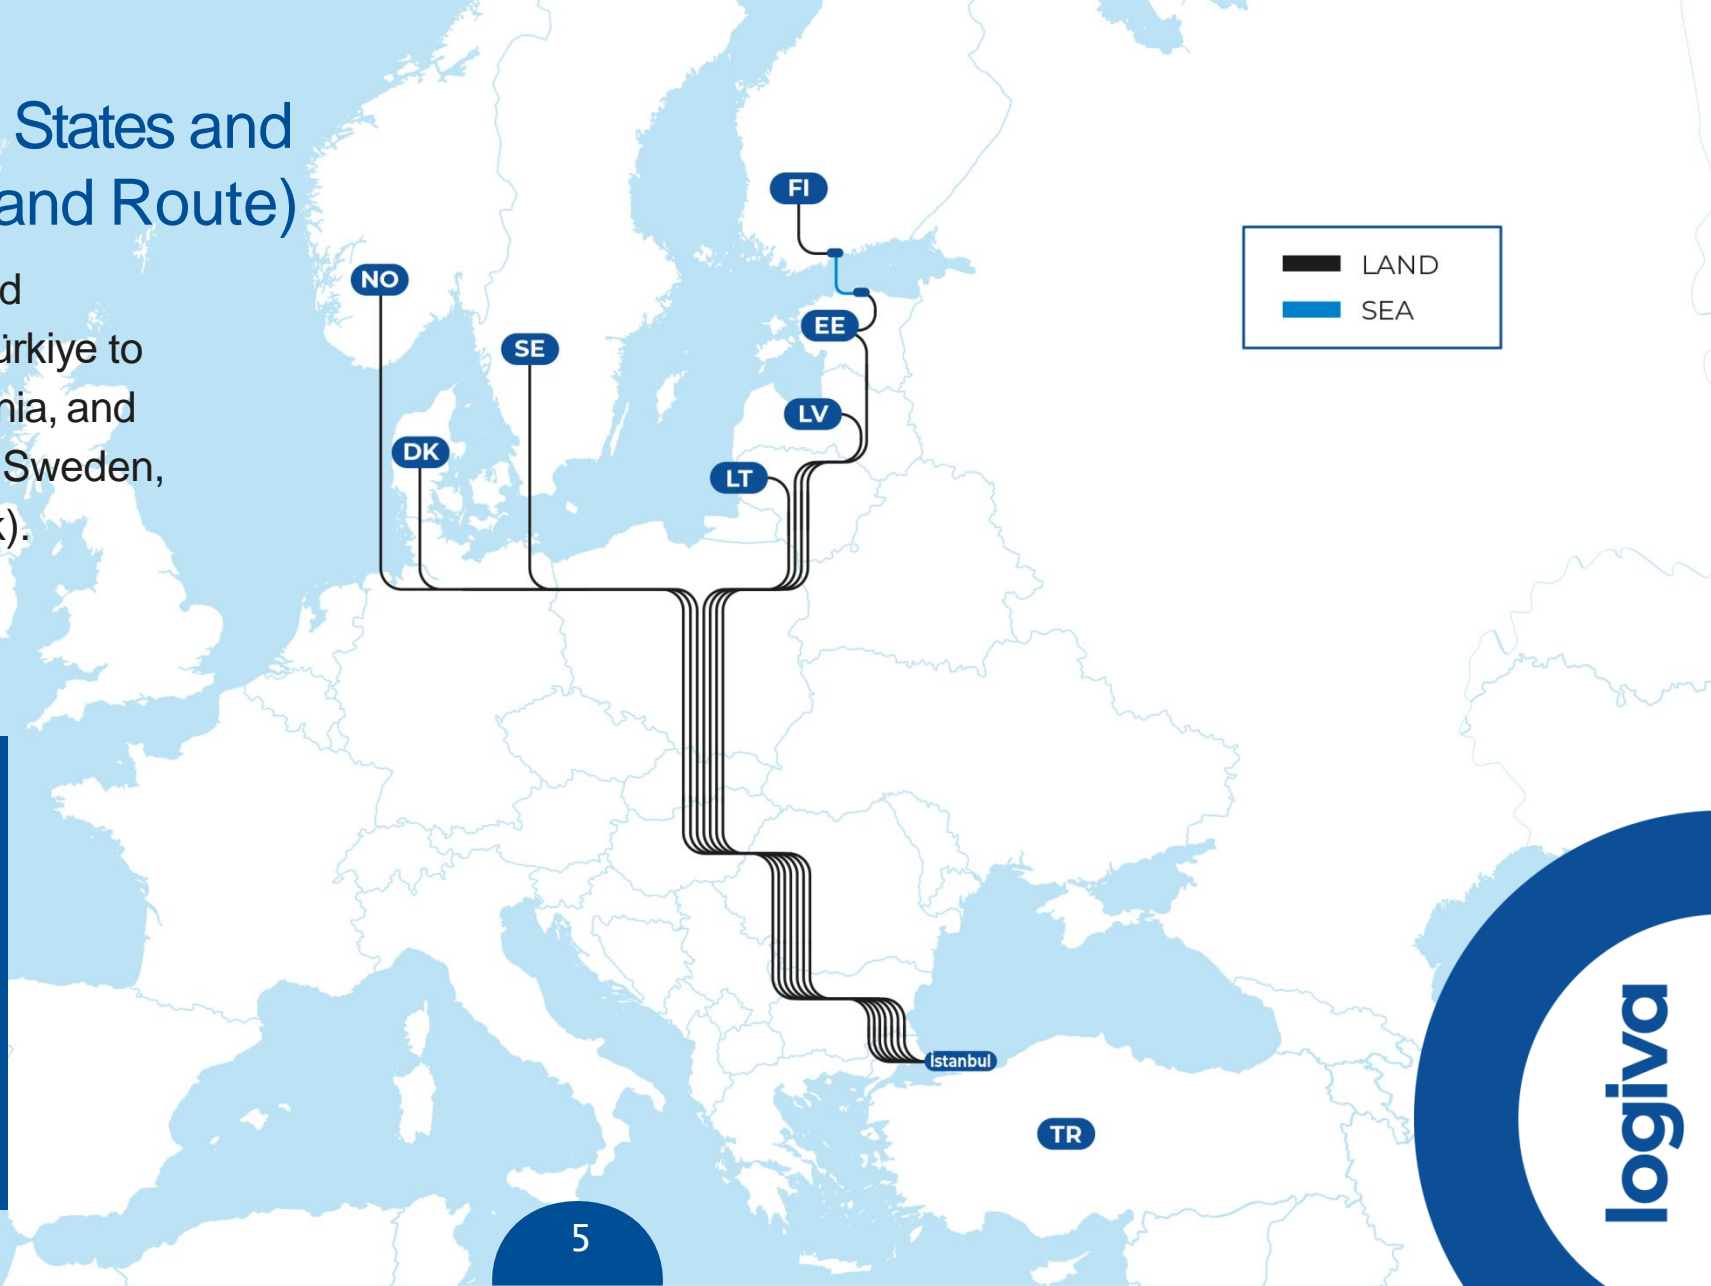

We will continue to provide our services with our customer- and solution-oriented approach.
